Registration Procedures

Team Managers are responsible for their team's compliance with the following registration procedures:

Team Application & Roster

In order to be accepted into the league, all teams must submit a team application along with the appropriate barcode (see page 6) and turn in an original and completed roster with player signatures. Managers must complete the top portion of the roster, including the night and desired league. Official rosters must contain a minimum of 12 players. **All players (including managers) must legibly print and sign their name and provide their address and phone number to be considered eligible participants.** A completed roster and all fees must be submitted at time of registration.

Priority Classification

Teams may register under the following priority system:

Priority I: Returning teams (from Fall 2013 only) with 75% or more Pleasanton Residents.

Priority II: Returning teams (from Fall 2013 only) with less than 75% Pleasanton Residents, or new teams with 75% or more Pleasanton Residents, or teams that have played in the previous fall season.

All other teams must register during the walk-in registration period.

Mail-In Registration

Mail-in registration is **June 4 through June 23, 2014** and is only available for teams with a Priority level of I or II. It is important to register as early as possible. Once walk-in registration begins, priority levels are no longer observed.

During Mail-In registration, teams have two payment options:

- 1.) Check: Mail registration form and check or money order (payable to the City of Pleasanton).

- 2.) Credit Card: Mail in your registration and indicate that you would like to pay with Visa or MasterCard. Do not provide your credit card information on the registration form. Upon receipt of registration, an online user ID and password will be emailed to you within three (3) business days which will allow you to pay league fees. Payment must be made within seventy-two (72) hours of receiving your online user ID and password.
